## **Samsung Galaxy Tab 8.9 (Wi-Fi Only) - 32GB Metallic Gray**

If you buy the wrong tablet, you're at the mercy of the manufacturer regarding how much you can customize or personalize your screens. But the beauty of Android is that you have much greater flexibility to arrange things however you want. You'll have multiple home screens to compose and design, plus live wallpapers to express your mood and personality. The Tab also offers you the freedom of TouchWiz®, the intuitive user interface that allows you to quickly drag and drop your

icons, widgets and Live Panels with only the touch of a finger. Now, reorganizing your tablet's menus and navigational options will be simple and straightforward.
