

## 16GB A Series Walkman Video MP3

With an A Series by your side, there's never a dull moment. The dazzling 2.8" (400x240) touch screen delivers incredible color and quickly serves up photos, videos, album artwork and more. Easily navigate your media library with the tap of a finger or via traditional button controls if you prefer. Experience your music wirelessly and stream audio to other compatible devices with integrated Bluetooth®. Sony Clear Audio technologies work as a team to make your music sound the best it can – Digital Sound Enhancement Engine, Clear Stereo and Clear Bass Audio Technologies offer deeper, richer sound plus S-Master™ MX amplification makes for higher signal to noise ratios and less distortion. Upload the matching lyric file and learn the words to your favorite song as your A Series scrolls them along the screen in sync with the music. Premium EX earbuds and USB cable included.

### 40" Class (40.0" Diag.) LED 5003 Series TV

Clear Motion Rate (CMR) is Samsung's more comprehensive and accurate measure for how well an LCD or LED TV can display fast-moving images. Previously, motion clarity was expressed simply by the refresh rate, measured in Hz. CMR, however, takes into account all three factors that contribute to motion clarity: panel refresh rate, image processor speed and backlight technology.
