

16GB A Series Walkman Video MP3

With an A Series by your side, there's never a dull moment. The dazzling 2.8" (400x240) touch screen delivers incredible color and quickly serves up photos, videos, album artwork and more. Easily navigate your media library with the tap of a finger or via traditional button controls if you prefer. Experience your music wirelessly and stream audio to other compatible devices with integrated Bluetooth®. Sony Clear Audio technologies work as a team to make your music sound the best it can – Digital Sound Enhancement Engine, Clear Stereo and Clear Bass Audio Technologies offer deeper, richer sound plus S-Master™ MX amplification makes for higher signal to noise ratios and less distortion. Upload the matching lyric file and learn the words to your favorite song as your A Series scrolls them along the screen in sync with the music. Premium EX earbuds and USB cable included.

40" Class (40.0" Diag.) LED 5003 Series TV

Clear Motion Rate (CMR) is Samsung's more comprehensive and accurate measure for how well an LCD or LED TV can display fast-moving images. Previously, motion clarity was expressed simply by the refresh rate, measured in Hz. CMR, however, takes into account all three factors that contribute to motion clarity: panel refresh rate, image processor speed and backlight technology.
