HP Officejet Pro 8600 Premium e-All-in-One Printer

View apps on our Officejet Pro 8600A Premium e-All-in-One's large touchscreen. Get networking and versatile performance; get professional-color documents for a cost per page of up to 50% lower than with laser printers.[1] You can even print from a mobile device via HP ePrint.[2]

Professional color, economical price

- **Get great-looking color** for a cost per page of up to 50% lower than with lasers, and get better value with frequent printing[3]
- **Resist fading,** water and highlighter-pen smears when using HP Officejet inks[4, 5]
- **Print at ISO speeds up to 20 ppm black** and 16 color when using our affordable individual inks[6]
- **Rely on the 25,000-page** monthly duty cycle

Web connectivity and mobile printing

- **Print from virtually anywhere,** and from a variety of mobile devices, using HP ePrint
- **Use the large touchscreen** with gesturing to access business apps, plus print and store files
- **View and print photos** from a USB drive and memory cards
- **Stay connected**—share on a wireless or wired network[7]

Versatile for copying and scanning

- **Make flawless copies** with the CopySmart feature
- **Print a one-sided copy** of a two-sided ID card
- **Automatically print, copy, and scan** on both sides of the page
- **Get more done** with the 50-page automatic document feeder
- **Improve workflow**—send faxes, scan documents to a PC or e-mail, and more
- **Create borderless, double-sided flyers** and brochures, plus print impressive business photos
- **Use original HP ink** for quality, reliability and rewards[8]

Energy and resource saver

- **Reduce energy use** by up to 50% compared with laser printers with this ENERGY STAR® qualified printer[9] and preset on/off times
- **Use up to 70% less in supplies** and packaging by weight, compared with laser printers[10]
- **Automatically print two-sided** with the automatic document feeder; cut your paper use in half
- **Recycle** your cartridges—it's free and easy[11]

Peace of mind

- **Protect your investment** with World-class service and support. One-year limited hardware warranty, 24-hour, 7 days a week Web support, business hour phone support within warranty period.

HP Scanjet G3110 Scanner

Make your photos, documents, slides, and negatives all look great by scanning them at 4800 x 9600 dpi resolution[1]. Our Scanjet G3110 Photo Scanner comes with software that removes red eye, removes dust and scratches, and restores vibrant color to your old, faded images.

Top surface with slides

Excellent quality, affordable price

- **Get great scans** of black-and-white and color photos with the 4800 x 9600 dpi and 48-bit color
- **Remove red eye** from scanned photos
- **Bring out the detail** in dark photos, plus restore faded colors
- **Correct most flaws** and scratches from damaged photos

Versatile flatbed design

- **Scan four 35 mm slides,** five negatives, or three 4 x 6" photos at once, then save to separate files
- **Archive important records** and documents: the G3110 scans sizes up to 8.5 x 11"
- **Get realistic** scans of 3-D items, capturing more detail and depth (ideal for photos for on-line auctions)
- **Create word-processing files** and PDFs from scanned documents with the included optical character recognition software
- **Scan directly to e-mail** for quick and easy sharing
- **Print copies** of scanned documents using a one-touch button and default printer

View of side ports
Fast and easy

- **Save time** on common jobs with scan shortcuts
- **Use four one-touch buttons** for common tasks: scan, copy, scan to e-mail, scan to PDF
- **Organize, edit,** print, share, and save scanned photos with the included HP Photosmart Essential Software
- **Connect to a PC** for optimal scan transfer speeds with Hi-Speed USB 2.0

View of top buttons
First-class warranty and support

- **Get peace of mind** with the 90-day limited warranty and toll-free phone support
- **Find answers** to your product questions online, 24 x 7, at our Consumer Support Forum, HP.com/support/consumer-forum

Panasonic KX-MB2000 24PPM 3-in-1 Monochrome Laser MFP

Robust Feature Set & Superior Ease of Use.
The KX-MB2000 includes standard printing, color scanning, and copying capabilities to meet the demands of todays businesses. The KX-MB2000 boasts a highly reliable print engine with an easy open clam shell design which makes consumable replacement and the removal of the occasional paper jam extremely easy. In addition, the KX-MB2000 includes a 10/100 Base-TX Ethernet interface for convenient device sharing in multi-user office

environments, not to mention the ability to remotely manage and configure the device using a standard internet browser.

High Speed, Professional-Quality Laser Printing

The KX-MB2000 is capable of outputting up to 24 professional quality documents per minute[1] at 600 x 600 DPI. The KX-MB2000 includes a Host Based GDI printer driver which has been optimized for maximum printing productivity. The advanced printing features of the GDI printer driver include the ability to add watermarks to printed documents, print or create document Overlays, merge up to 16 documents on a single sheet of paper, or enlarge your document to a wall size poster.

PC & Network Document Scanner

The built in document flatbed on the KX-MB2000, is able to scan documents directly to a PC, E-mail, shared network folder or FTP server. Scanned documents can be saved as a PDF, JPG, TIFF or BMP file. The KX-MB2000 is capable of scanning documents in full color with resolutions up to 19,200 x 19,200 dpi (Interpolated).

Convenient Desktop Copier

The KX-MB2000 can also be used a desktop copy machine, utilizing the standard document flatbed. The KX-MB2000 offers many convenient copy features, such as Image Repeat, N in 1 Copy, Separate N in 1 Copy, Quick ID Copy and Proof Copy.

Panasonic Multifunction Station Suite Software

The KX-MB2000 comes bundled with the Panasonic Multifunction Station Suite Software, which includes all the software and utilities for the device. The bundled software suite includes; Panasonic's Multi-function viewer software which allows you to view scanned documents, remotely adjust the device configuration with the Remote control utility, and the Device Manager Application which provides a real time view of the devices current state.

Advanced Document Management

The KX-MB2000 features Panasonic's newest software application, the Panasonic Easy Print Utility. This intuitive application allows you to merge multiple documents into a single print job, which can then be previewed from your computers monitor before actual printing, to ensure the document layout is correct without wasting paper and toner. In addition, the KX-MB2000 includes a copy of Readiris Pro 7, which will allow you to convert your digital documents into text editable file formats.
