Samsung 30mm NX Pancake Lens

Samsung's compact 30mm pancake lens is the brightest in its class. With its 30mm fixed focal length and maximum aperture of F/2, you can capture exceptionally bright images — even in low-light situations such as shady forest paths and indoor weddings. You can also create striking, images with shallow depth of field in a variety of settings. And since it's incredibly slim and lightweight, you can take it with you everywhere.
