PR 100 Women's White Quartz Watch

Unrivaled best seller that is true to its name, the PR 100 is certainly precise and hugely popular.

A combination of tradition with up-to-the-minute looks using quality materials on the outside and Swiss reliability on the inside. This iconic watch family offers lady and gent sizes to prevent any rivalry, although as far as style is concerned, the race is on! The Swiss made quartz ETA movement has battery end-of-life indicator, a scratch resistant sapphire crystal and date indicator. Features include a stainless steel bracelet, a magnificent white dial, and water resistance up to 100 meters.
