Synopsis:

Death is just as omnipresent as ever, and in Final Destination 5 it strikes again. During the bus ride to a corporate retreat, Sam (Nicholas D'Agosto) has a premonition in which he and most of his friends — as well as numerous others — die in a horrific bridge collapse. When his vision ends, events begin to mirror what he had seen, and he frantically ushers as many of his colleagues — including his friend, Peter (Miles Fisher), and girlfriend, Molly (Emma Bell) — away from the disaster before Death can claim them. But these unsuspecting souls were never supposed to survive, and in a terrifying race against time, the ill-fated group tries to discover a way to escape Death's sinister agenda.

Synopsis:

Immersive. Compelling. Hypnotic. Brilliantly imaginative. Endlessly thrilling. Pick your term. The mystery of the universes deepens in the critically

acclaimed 22-episode third season of television's most exciting sci-fi. The Fringe team escapes from the parallel universe – except for Olivia, trapped in the other world and replaced in ours by her double, who turns Peter and Olivia's tentative relationship into a love affair. Then Olivia returns, bonds of trust fray, ever more bizarre and terrifying phenomena occur and secrets that stretch back to 1985 threaten to destroy our universe. Or theirs. "Fringe continues its hot streak known as Season 3. It's been firing on all cylinders all season" (Andrew Hanson, LATimes.com).

Robert Neville is a brilliant scientist, but even he could not contain the terrible virus that was unstoppable, incurable, and man-made. Somehow immune, Neville is now the last human survivor in what is left of New York City and maybe the world. For three years, Neville has faithfully sent out daily radio messages, desperate to find any other survivors who might be out there. But he is not alone. Mutant victims of the plague -- The Infected -- lurk in the shadows... watching Neville's every move... waiting for him to make a fatal mistake. Perhaps mankind's last, best hope, Neville is driven by only one remaining mission: to find a way to reverse the effects of the virus using his own immune blood. But he knows he is outnumbered... and quickly running out of time.

Synopsis:

Epic Action Drama. Set in Japan during the 1870s, *The Last Samurai* tells the story of Capt. Nathan Algren (Tom Cruise), a respected American military officer hired by the Emperor of Japan to train the country's first army in the art of modern warfare. As the Emperor attempts to eradicate the ancient Imperial Samurai warriors in preparation for more Westernized and trade-friendly government policies, Algren finds himself unexpectedly impressed and influenced by his encounters with the Samurai, which places him at the center of a struggle between two eras and two worlds, with only his own sense of honor to guide him.

Synopsis:

The prize: ending the Apocalypse. The price: Sam's life. Season 5's horrific finale left Dean alone, as Sam descended into Hell. Now a different man, Dean vows to stop hunting and devote himself to building a family with Lisa and her son Ben. Then, mysteriously, Sam reappears, drawing Dean back into the old life. But Sam's a different man too. He's returned without his soul. How the Winchesters confront this greatest challenge yet to their powerful bond is the troubled heart – and soul – of the profound and thrilling 5-Disc,

22-Episode Season 6. As the brothers struggle to reunite, they must also battle deadly supernatural forces. Demons. Angels. Vampires. Shapeshifters. And a terrifying new foe called the Mother of All.
